MEMORANDUM FOR: Chief, Plans Staff, DD/A

SUBJECT : Office of Logistics Communications Requirements  
for FY 1978-82

REFERENCE : Multiple Adse Memo dtd 5 Feb 76 fr DD/A Plans  
Staff, subj: Communications Requirements for  
FY 1978-82

1. As requested by the reference, we have reviewed our communications requirements for the period FY 1978-82. Black- and green-line communications provided for our occupancy of the [redacted] Building complete our known voice communications needs in that building. Data communications requirements provided for the period FY 1977-81 remain accurate; additional requirements are as follows:

a. Data/secure-voice communications between the Office of Logistics in the [redacted] Building and the [redacted] Procurement Office [redacted] if funding can be justified;

b. Expanded line capacity, including secure voice, at [redacted] to provide interface with other Government supply activities;

c. Secure voice and data communications from the Printing and Photography Building, located on the Headquarters compound, to the Headquarters Building.

2. Any questions concerning these requirements may be directed to [redacted] my ADP Coordinator, on extension [redacted].
